INTU DEBENTURE PLC (THE “**COMPANY**”) ANNOUNCES PUBLICATION OF Q4 UPDATE AND SCHEDULED STOCKHOLDER CALL IN RESPECT OF Q4 UPDATE

15 February 2024

Q4 2023 Update

The Company announces (1) the publication of an operation and market update in respect of trading numbers in the financial quarter ending on 31 December 2023 (the “**Q4 Update**”), which is available on the Company’s website at <https://debentureplc.com/wp-content/uploads/2024/02/Debenture-Plc-Q4-2023-Quarterly-Report-RNS-15.02.2024.pdf> and (2) the scheduling of a one-hour call with Stockholders to take place at 10:00 BST on 21 February 2024 to present and discuss the Q4 Update.

The Q4 Update provides an update with respect to key information in respect of business operations and market conditions as against the last quarterly update (in respect of the financial quarter ending on 31 December 2023) that was made by the Company and the Company’s asset manager, Pradera Lateral Limited (“**Pradera**”) on 15th February 2024.

Scheduled Stockholder Call

The Company has scheduled a one-hour call with the Stockholders to take place at 10:00 BST on 21 February 2024 (the “**Update Call**”). On the Update Call, directors of the Company and representatives from Pradera will present a brief overview of the Q4 Update to those Stockholders who have registered to attend in accordance with the procedure set out in this announcement (“**Registered Stockholders**”).

Registered Stockholders will have the opportunity at the end of the Update Call to ask any clarificatory questions that have arisen from their review of the Q4 Update (the “**Q&A Session**”). Commercially sensitive and price sensitive information will not be discussed or disclosed on the Update Call, including during the Q&A Session.

Stockholders who wish to join the Update Call must register in advance, by sending an email to the Company’s legal advisers, Simmons & Simmons LLP (“**Simmons**”), at Intudebenture@simmons-simmons.com, on or before 5:00pm BST on 19 February 2024 to confirm their proposed attendance.

Stockholders who register for the call will be provided with an individualised attendance link to join the Update Call. These individualised attendance links will allow access to a virtual “lobby” and a

representative of Simmons (the “**Host**”) will admit attendees to the Update Call from the virtual “lobby”. The Company may require proof of holdings in the Stock (in form and substance satisfactory to the Company) prior to providing the individualised attendance link.

In the interests of ensuring a productive call with interested parties, only one attendee per individualised attendance link will be admitted from the virtual “lobby” to the Update Call. Therefore, if multiple members of a Stockholder’s organisation wish to attend the Update Call, it is imperative that each individual contact Simmons & Simmons LLP, at the above email address, directly to receive their own individualised registration link.

Prior to the commencement of the Q&A Session at the end of the Update Call, all attendees, other than the Company and Pradera presenters, will be muted. A hand-raised function during the Q&A Session will enable individual attendees to be unmuted by the Host in order to ask their clarificatory questions in relation to the Q4 Update. The Host reserves the right to mute any participant at any time in order to ensure a productive and orderly meeting.

The Update Call will be recorded. For the purposes of the recording of the Update Call, attendees asking questions will be expected to announce themselves and their organisation.

The Company will continue to keep Stockholders notified of any relevant developments in accordance with applicable law and regulation.

Capitalised terms used in this Notice and not otherwise defined shall have the meanings given to them in the Supplemental Trust Deed dated 5 September 2023 and the trust deed dated 5 October 2006 (as amended and supplemented from time to time and together with the Supplemental Trust Deed, the “**Trust Deed**”) constituting the Stock and made between the Company, the Charging Subsidiaries (as defined in the Trust Deed), and The Law Debenture Trust Corporation p.l.c. (the “**Trustee**”), unless the context otherwise requires.

Please note that the Trustee has not been involved in the preparation or formulation of the Q4 Update, this announcement or any announcement in respect of the Q4 Update and will not be participating in the Update Call and expresses no views or opinions on the Q4 Update or this announcement. Stockholders are advised to take their own legal, financial and/or tax advice in relation to the matters discussed on the Update Call and the Q4 Update.
